29th Nov. 1923

Dear Mr. Nathan,

I have to thank you for the copy of the Proclamation of H.H. the Khalifa announcing the introduction of certain constitutional changes, together with the accompanying papers.

I have read the documents with the greatest interest. The task has been a heavy & comprehensive one, involving no less than the consolidation, enlargement and coordination of the various functions of the principal existing institutions of the State. The ability with which the changes have been worked out is widely praised, and the working of the novel features of the system will be watched with interest far beyond the limits of the Egyptian State.

Yours sincerely
J. M. Fraser.
